### **Educational Visits and Residential Trips**

Parents and Carers are asked to contribute towards the costs of these educational activities. Parents and carers are asked to pay the cost for the pupil. Any additional costs are incurred by the school.

Arrangements can be made to support parents and carers who may experience difficulties and these are treated in confidence. The school minibuses are used for the vast majority of educational visits and therefore there is no charge made to cover transport costs.

### **Snacks and Drinks**

Snacks and drinks are provided during the morning for pupils. Parents are asked to make a voluntary contribution on a half termly basis towards the cost of these.
