Park Lane School Policy

General Sickness Guidelines

We are constantly striving to keep infections to a minimum at Park Lane School so that your child enjoys good health. **We would ask parents for support to help avoid the unnecessary and unwelcome spread of contagious conditions by taking the following precautions:**

If you are unsure if your child is well enough to attend Park Lane School, please err on the cautious side. Our concerns are that your child is well enough to enjoy Park Lane School and that there is no likelihood that they are infectious to others.

WE MUST BE ADVISED IF YOUR CHILD HAS RECEIVED ANY MEDICATION BEFORE COMING INTO SCHOOL.

Children becoming unwell whilst at Park Lane School

If your child develops sickness, diarrhoea, a high temperature [$+100^{\circ}\text{F}/+37.7^{\circ}\text{C}$] or is obviously unwell, we will contact parent(s) and ask that the child be taken home. We would be grateful if you could arrange this as quickly as possible. Please also ensure that if you are not going to be available on your usual contact number for a particular day or on an on-going basis, you provide us with an alternative number. It is important that we are informed of any permanent or temporary changes in contact numbers.
