# What is the force?

- **THE FORCE IS A MYSTICAL ENERGY FIELD CREATED BY ALL LIVING BEINGS THAT BINDS THE GALAXY TOGETHER. IT GRANTS FORCE-SENSITIVE INDIVIDUALS, LIKE JEDI AND SITH, THE ABILITY TO PERFORM EXTRAORDINARY FEATS, SUCH AS LEVITATING OBJECTS, TELEPATHIC COMMUNICATION, AND MANIPULATING OTHERS' MINDS. THE FORCE ALSO HAS A WILL OF ITS OWN AND IS OFTEN DESCRIBED AS A BALANCE BETWEEN THE LIGHT SIDE AND DARK SIDE**

- The Force Will Be With You, Always

- **ON EARTH, WE HAVE DECIDED THAT THE FORCE CAN BE USED TO DESCRIBE WHEN YOU TRY REALLY HARD AT SOMETHING GOOD UNTIL YOU CAN MAKE IT WORK**

**DO YOU  
HAVE THE  
FORCE?**

- **CAN YOU TRY HARD  
ENOUGH AT SOMETHING  
UNTIL YOU MAKE IT  
WORK?**
- **WHAT HAVE YOU TRIED  
HARD AT THIS WEEK  
UNTIL YOU COULD DO  
IT?**

# HOW TREACLE HAVE USED THE FORCE...

- Iona has used the force to get really good at hitting the ball in tennis
- Claire has used the force to walk round the playground and get really strong
- Kyle has used the force to almost complete his GCSE art, he will use the force on Tuesday and Wednesday to do his exams.
- Esme has used the force to get better at signing in her lessons with Gareth and using it all week in Treacle
- Oscar has used the force in his maths lessons to learn about tens and units
- Miya has used the force to get better at managing her emotions
- Lily has used the force to transition better and get on and off the bus independently
- Ishika has used the force move herself around and play with her friends

# THE FORCE IN ACTION
