

# Park Lane Special School

SMSC statement for Community.

The Community value consists of subjects RE and Humanities (History and Geography).

The Community values contribute to the pupils SMSC and British Values development by:

## Spiritual Development

- Pupils learn about a range of different religions.
- Allow children to reflect on previous experiences knowing the difference between past and present.
- Providing opportunities for students to reflect upon the landscapes and environments.

## Moral Development

- Pupils have an interest around different religions and listen to various views.
- Encourage pupils to share their views based on moral questions.
- Provide pupils with opportunities to discuss, debate, role play and make decisions on what they are learning about.

## Social Development

- Pupil's work well with others; understand community's work.
- Promoting pupils own social development through working together and problem solving.
- Participate in community visits or residential trips (if appropriate for those pupils).

## Cultural Development

- Learning about different cultures through religious celebrations.
- Develop an understanding of people from different cultural backgrounds.
- Pupils learn about the characteristics of their local area, and why it is like that.
