

Recycle Poster

Design a poster to display in a room of your home to encourage the members of your family to recycle.

The example below shows how you can encourage someone to recycle in the kitchen.

You can now **recycle** all of these items from your **kitchen**.

Top tips:

- Squash cans and bottles and flatten boxes to save space in the bin.
- Empty jars before recycling them.
- All colours of glass can be recycled!
- Remove and put tops and lids in your black bin.

Choose your room and write some notes about what to recycle and how it can be recycled.
